Chair of Governors: Mr Paul Brewster

Friday 17 November 2017

Dear Parents and Carers,

Thank you so much for your comments and views regarding our proposed arrangements for the end of the day. We have had a great response with 93% of responses being in favour of trialling the alternative exit for children in Maple and Chestnut.

As a result, we will be implementing the proposed changes from Wednesday 22nd November and children from Maple and Chestnut classes will need to be collected from the front of school. They will be dismissed from the gate in the fence around Chestnut's outdoor area.

As mentioned previously, we would like to provide you with the opportunity to collect children in Maple from 3:20 and those in Chestnut from 3:25 so that you have time to get to the other door to collect your older children. You are welcome to continue to collect children from Maple and Chestnut classes at 3:30, as our official end of the school day, if that suits your needs and they will continue to be supervised and cared for by their teachers as they are now.

We are hopeful that this will ease the congestion at the current exit and provide greater opportunities for parents and teaching staff to interact. These arrangements will be reviewed at the end of Spring One and monitored during the trial period. We welcome your constructive feedback and any suggestions you may have during this time.

Many thanks and kind regards,

GDay

Miss Day
