Dear Parent/Carer,

We are holding a **'Meet your child/children's new teacher night'**

on **Wednesday 20th September** from **6pm – 7pm**.

Each class teacher will be delivering a 30 minute session, including a presentation and a chance to talk and ask questions. These will be held in their classrooms. We hope you can join us!

I don't have anyone to look after my child whilst I attend. Can I bring them with me?

If you don't have anyone to look after your children, you are welcome to bring them with you. I will be supervising any children who need to attend but you will need to book a place with Mrs Hibberd or Mrs Lee in the school office. We would love as many parents as possible to attend as this is a fantastic opportunity to ask questions and gain a greater insight into life in the classroom. It will also help you to understand how you can best support your child at home.

My child is in Maple and I met Mrs Scarbro in July. Will I learn anything new?

Because parents of children in Maple have already had a welcome evening, Mrs Scarbro will run a phonics session instead. This will work in the same way as the other sessions, allowing parents to attend a phonics session and a different class if they wish. Parents of children in classes other than Maple are also welcome to attend the phonics session if you feel it would be beneficial.

I have two children in two different classes. Can I visit both?

We want as many parents as possible to have an opportunity to meet and chat with their child's teacher. The same session will run twice (from 6:00 – 6:30 and then from 6:30 – 7:00) to allow parents to visit two teachers.

If you have any further questions or queries, please contact the school office. Mrs Hibberd or Mrs Lee will be happy to help.

Many thanks,

Miss Day
