No matter how great we make our school, your child will only benefit if they are here. Attendance is of paramount importance and directly links to the progress your child can make during their school years.

Our year to date whole school attendance at the end of December was 96%.

Please contact the school office if you need support or have any concerns about your child's attendance.

Please come to school dressed in any colour of the rainbow.

We would love everybody to bring a length of coloured wool, string, ribbon etc. too. This will be used for a whole school project during the day.

£1 donation

Please feel free to donate more if you wish. As this is a charity close to our hearts, we would love to raise as much as possible.
