### Last week's highlights...

Our **Maple** children explored calculation with Subtraction Sam; wrote about their favourite part of their holiday and started to create a space station in their role play area.

Our **Chestnut** children decided to make their role play area into a superhero factory. They used junk modelling materials to create gadgets. They also started their Musical Imps music sessions and learnt some very catchy songs!

Our **Willow** children travelled back in time to Ancient Egypt and became archaeologists. They demonstrated their writing skills by writing applications to join the excavation team.

Our **Oak** children shared news reports; learnt about direct and reported speech; explored fables and their morals and experimented with lines, creating replicas of Van Gogh's Starry Night.

My thanks go to Amber and Octavia, this week's 'roving reporters'.

**Our year to date whole school attendance is 96.5%.**

**Attendance for week commencing 1 Jan 18 was 98%.**

Please contact the school office if you need support or have any concerns about your child's attendance.

Don't forget! It is important that you remember to apply for a primary school place if you want your child to start reception in September 2018. You can apply online at [www.lincolnshire.gov.uk/schooladmissions](http://www.lincolnshire.gov.uk/schooladmissions), ask for a paper application form or make a phone application by contacting the Education Team on 01522 782030. Parents can only apply by using one of these three methods.

The main closing date is 15 January 2018, although the online and telephone application facility should still be available to use until 31 January 2018.

Even if you have another child at the school, you still need to apply for a place. One will not automatically be offered.
