Congratulations to...

Our Mathematicians of the week:

Darcy (Maple)
Joshua (Chestnut)
Dorothy (Willow)
Daisy (Oak)

Our Writers of the week:

Mia (Maple)
Zachary (Chestnut)
Luke (Oak)

Last week's highlights...

Our **Maple** children have been using Numicon and practising subtraction; learning about scales and talking about objects being lighter or heavier than each other and they have been enjoying playing in their space station role play area.

Our **Chestnut** children have been creating and learning a superhero dance. They have also been creating some Incredible Hulk writing; working with arrays in maths and continuing their Musical Imps sessions.

Our **Willow** children have been creating leaflets for a historical museum; enjoying Flat Stanley and they have learnt an ancient Egyptian themed dance... with actions!

Our **Oak** children continued their Van Gogh artwork, collaborating to create their own version made from individual sections. They have also been working very hard to master percentages in maths.

My thanks go to Luke and Rowan, this week's 'roving reporters'.

Our year to date whole school attendance for last week was 98%.

Our year to date attendance has remained at 96.5% as at the end of last week.

Please contact the school office if you need support or have any concerns about your child's attendance.

Don't forget! It is important that you remember to apply for a primary school place if you want your child to start reception in September 2018. You can apply online at www.lincolnshire.gov.uk/schooladmissions, ask for a paper application form or make a phone application by contacting the Education Team on 01522 782030. Parents can only apply by using one of these three methods.

The main closing date is 15 January 2018, although the online and telephone application facility should still be available to use until 31 January 2018.

Even if you have another child at the school, you still need to apply for a place. One will not automatically be offered.
