Dear Parents/Carers,

Term two is now in full flow and our children have settled back in so well. Our Willow and Oak children have already been on a school trip, Maple have created some amazing characters and settings for an upcoming whole school collaborative writing project and Chestnut are busy constructing their own fire station. What a lot of exciting things happen in school each day! Thank you to you all for your continued support in making sure your children are in school each day and for encouraging them to be independent and self-sufficient in ensuring they have all the equipment they need in school. It is really appreciated by us all.

Miss Day
