Learning together for life

Friday 26 May 2017

Dear Parents/Carers

On Monday 26 June children in Maple and Chestnut will be attending a Cultural Day at Barnes Wallis Academy in Tattershall. The children will leave school shortly after registration and return to school before the end of the day. They will need to wear their school PE kit for the trip, including their school jumper/cardigan.

During the day they will take part in four activities that focus on the Sustainable Development Goals. On September 25 2015, countries adopted a set of goals to end poverty, protect the planet, and ensure prosperity for all as part of a new sustainable development agenda. Each goal has specific targets to be achieved over the next 15 years. The activities include things such as building a shelter for a teddy, a fairy tale debate, cleaning water, gardening and team work.

There will be four other schools attending the event allowing pupils the opportunity to work with other children in the local community.

We would ask that you make a contribution of £1.50 per child to cover the cost of transport. Although this is a voluntary contribution we will be unable to go ahead with the trip unless sufficient funds are received. Pupils eligible for free school meals due to benefits received will not be required to make a contribution as the school's Pupil Premium funding will cover the cost. Lunch will be provided and children are asked to indicate their choice of food on the slip below and return it to school by **Tuesday 6 June**.

It promises to be a day where children learn new things, consider different perspectives and how they can make a difference to the world in which we live.

Yours sincerely,

Simon Morley
Headteacher
