Learning together for life

Wednesday 29 March 2017

Dear parents and carers,

Having received Paul Brewster's letter yesterday you will now be aware that I will be leaving Kirkby on Bain at the end of the school year to take up the position of headteacher at Boston West Academy.

I have spent seven extremely happy years at Kirkby on Bain and have many, many fond memories. I have worked with a superb team of staff who I would like to thank for their tireless hard work and commitment over the years.

The governing body has provided great support and challenge throughout my time as headteacher and I would like to offer my thanks and gratitude to all of the governors I have worked with.

Partnership with parents and carers has always been of utmost importance to me and I have thoroughly enjoyed working with you to provide your children with an excellent education which values the "whole child" in a welcoming "family" environment and one that supports every child to achieve their potential.

My biggest thanks however, as always, go to all of the children who have attended the school while I have been the headteacher at Kirkby on Bain. It is they who make the school the wonderful place that it is.

There is something very special about Kirkby on Bain Church of England Primary School; something I felt the very first time I visited the school. This "specialness" has often been commented upon by visitors and it is this that has made the school so enjoyable to work in and why it continues to be successful. I have every faith in the governors to find the right person to lead the school into a new phase and that it will continue to go from strength to strength.

With all best wishes,

A handwritten signature in black ink, appearing to read 'Simon'.

Simon Morley
Headteacher
