What happens if it snows enough to close the school?

If we get the predicted snow and school is closed, the following will happen:

A ParentMail text will be sent out to inform parents and staff

We will inform Lincs FM and Radio Lincolnshire so that they can announce the closure.

We will inform Lincolnshire County Council and they will publish the closure on their website.

We will endeavour to make the correct decision in good time to ensure nobody is travelling unnecessarily and apologise in advance for any inconvenience. With our unpredictable British weather, this is always a difficult decision to make and a hard balance to get right for all concerned.

You are cordially invited to...

Our Friends of the School AGM

on Tuesday 13th March

Our Friends committee relies on collaboration and voluntary support so if you can help, all of us, especially our children would really appreciate it. Everyone's contribution is important but we do also need certain people to take on specific roles within the committee. The people who currently hold these roles will step down at the AGM and the roles will then be filled again through nomination and seconding at the AGM.

Please see separate invitation for more details.

With sadness for us and excitement for them, we would like to wish Mrs Dutton and her family our very best wishes for the future. Mr Dutton has been given an RAF posting in Canada and they will therefore be leaving us in May.

We will be extremely sorry to say goodbye to them and we would all like to sincerely thank her for her amazing hard work and commitment.

I am sure they will all keep in touch with us and let us know about their exciting new adventures in Canada!

Our whole-school attendance for the week commencing 5th February was 95%

Our year to date attendance remains at 96%.

Please contact the school office if you need support or if you have any concerns about your child's attendance.
