Dear Parents/Carers,

Tuesday 4 June

Welcome back to the final term of this academic year. It's June... already! It was fabulous to welcome you all back to school yesterday and lovely to hear about all the things our families have been doing during the half term break. We have such a lot to look forward to this term (see diary dates overleaf) so hopefully you got a chance to relax and get some rest too. Thank you for your support with the roll out of Seesaw in all classes, our class assemblies, Mystery Reader, good work celebrations and all the ways we look to offer as opportunities for parents to engage in school life. We love sharing these moments with you.

Good Work Celebration Dates for Summer Two

You are welcome to join us for our good work celebrations on the following dates this term:

Friday 7 June, Friday 14 June, Friday 28 June and Friday 12 July.

Maple's Sharing Assembly will be on Friday 21 June.

Chestnut Two's Sharing Assembly will be on Friday 5 July.

Archery

Years 2 – 6 will be taking part in Archery sessions on Tuesday mornings this term. These will be run by JB's Sports and will be a fantastic chance for children in these years to try out a new sports activity.

Summer Fair

Our Friends of the School Summer Fair is on Sunday 7 July (12pm-3pm) at the school field. Our FOS committee are working very hard to organise stalls and activities to entertain all ages and we would love to see as many of you there as possible. This is our biggest fundraiser of the year and it is always huge fun. If you have any ideas; time to spare to help setting up or running a stall; work for a company who might be willing to donate a raffle prize; know someone who might like to hire a stall or can help to prepare things prior to the day itself, please let the school office know. We really appreciate any help people can give. We will be having a non-uniform day on Friday 28 June - donations of tombola prizes are welcomed.

Advanced notice of upcoming works around the school site

We are very keen to develop the outdoor spaces around our school site and improve our perimeter fencing. We will therefore be updating our site during this term and during the summer holiday.

Works will include:

- Removing an area of hedging next to Maple's outdoor area and replacing the fencing to the side and front boundaries
- Re-siting the large PE shed at the school field to create space at the back of school (to the right of the pathway as you approach the pupil entrance from the staff car park)
- Securing this area so that it can be used by pupils during the school day – this will create easily accessible outdoor space for Chestnut Two and Oak
- Re-siting the bins along the hedge and outside the new pupil area
- Extending the outdoor area outside Chestnut One
- Slightly extending the Cairn Garden area to allow larger groups of pupils to work in this area during the school day

Our pupils are as enthusiastic as we are about working outside and this will help us to do that more often.

Hope, Peace, Friendship, Forgiveness, Respect and Trust
