

# Kirkby on Bain Church of England Primary School

*'Learning together for life'*

Thursday 30<sup>th</sup> January

Well done to everyone who competed in the Grantham gym competition on Sunday. Some of our pupils chose to compete with their local club to represent our school returning to school with enthusiastic reports of a very successful competition. The team won the gold trophy collectively as a mixed age under nines group and the girls placed well individually too. Super work everyone - three cheers to our sporting superstars!

## **Mystery Readers**

Please let your child's class teacher know if you have time to be a mystery reader for us. Our children love it when people come into read to them. Teachers are more than happy to help with suggestions of suitable texts.

Careers Week will now be held during the summer term.

## **Good Luck Mrs Haines!**

Mrs Haines is continuing her journey into teaching this term and we would all like to wish her the best of luck as she completes a teaching placement in a different school. She will be back with us towards the end of next term.

## **Winter Weather Reminder**

Although it is increasingly difficult to predict what weather we will get at any point in the year now, it seems appropriate to update you regarding our arrangements in the case of extreme winter weather. The decision whether to close for the safety of pupils, parents and staff or to remain open is always a tricky one and it is made by our headteacher and our Chair of Governors. When the extreme weather is widespread this is often in conjunction with advice from Lincolnshire County Council Education Team. If school will be closed due to extreme winter weather, we will ensure a text is sent to parents informing you of this. We will also ensure we are included within school closure announcements on Lincs FM and Radio Lincolnshire.

If we have to close school during the day, we will ensure that a text is sent to all parents requesting early collection of children from school.
