## **Happy New Year and Happy Epiphany!**

### **Dear Parents and Carers,**

Welcome back to each and every one of you. Another year and another new term have arrived, filled with opportunity, fun and lots of learning. We all hope you enjoyed your break from school and created some wonderful memories together and we look forward to creating more memories in school together. Our 'wise men's treasures' this term include class assemblies, sports tournaments, a live music performance, careers week (please let us know if you are able (and willing) to get involved) and much, much more. Hopefully you had a chance to relax alongside your fun and are ready on the starting blocks to get as much as you can out of the first term of 2020!

### **Miss Day**

### **Welcome to our team!**

We would like to give a very warm welcome to Mrs Lamond, who is joining our Willow Four team this term and Mrs Lake, who is joining our Oak team. We are looking forward to working with you both and know that you will do an amazing job supporting children in those classes.

### **Mystery Readers**

Please let your child's class teacher know if you have time to be a mystery reader for us. Our children love it when people come into read to them. Teachers are more than happy to help with suggestions of suitable texts.

### **Winter Weather**

Although it is increasingly difficult to predict what weather we will get at any point in the year now, it seems appropriate to update you regarding our arrangements in the case of extreme winter weather. The decision whether to close for the safety of pupils, parents and staff or to remain open is always a tricky one and it is made by our headteacher and our Chair of Governors. When the extreme weather is widespread this is often in conjunction with advice from Lincolnshire County Council Education Team. If school will be closed due to extreme winter weather, we will ensure a text is sent to parents informing you of this. We will also ensure we are included within school closure announcements on Lincs FM and Radio Lincolnshire.

**Hope, Peace, Friendship, Forgiveness, Respect and Trust**

If we have to close school during the day, we will ensure that a text is sent to all parents requesting early collection of children from school.
