Monday 6th June

Dear Parents and Carers,

Welcome back! Get ready... we're on the final stretch and it's going to be a busy one! Thank you once again to everyone who was able to join us for our Jubilee Picnic! It was lovely to see so many of you. If you were unable to join us that time, hopefully you will be able to get to the Summer Fair and/or Sports Day, this term. We'd love to see you!

We have had some mosaic art installed on the end wall of the hall. This is a piece of artwork that was commissioned by our parish council to mark the jubilee. Our school council helped the local artist who created it to design it, requesting multiple elements that they felt represented our school and local area.

Monday 6th June is Power of Youth Day, a chance to say thank you to all the children and young people who are working to make positive change in their communities every day. We are blessed with a whole school community of positive change-makers who understand that everyone can make a difference in our world. We have children undertaking the Archbishop of York's Young Leaders Award, children taking part in the Raising Aspirations project and children in all classes doing their bit as part of our current Curriculum Golden Thread: Be the Change! Our pupil power litter pickers are still regularly borrowed for local litter picks and we have never been recycling as much as we are now. Keep up the great work and thank you from all of us!
