

Kirkby on Bain Church of England Primary School

Religious Education Policy

Our small, inclusive and caring school provides an embedded family ethos. We strive to enthuse and inspire our pupils, challenging and supporting their growth into respectful; confident; independent; self-motivated and curious individuals. We care, learn, discover and grow together, developing compassion, consideration, tolerance, understanding and knowledge for life in all its fullness.

This policy should be read in conjunction with other policies in school.

The Purpose of RE at Kirkby on Bain Church of England Primary School

We teach RE as a core part of our school curriculum in order to further develop our pupils' religious literacy. We understand religious literacy to be:

“our pupils' ability to hold balanced and well-informed conversations about religion and worldviews”.

The Aims of RE at Kirkby on Bain Church of England Primary School

RE at Kirkby on Bain Church of England Primary School will be provided within legal requirements. These are as follows:

1. The basic curriculum must include provision for RE for all pupils registered on the school roll, including those in reception class who are less than five years old.
2. The content of RE must reflect the fact that the religious traditions of Great Britain are, in the main, Christian; it must also reflect the teaching and practices of the other principal religious traditions represented in Great Britain.
3. The RE curriculum provided will be in accordance with the locally agreed syllabus for Lincolnshire (2018-2023).

We deliver RE in accordance with the Church of England Education Office's [Statement of Entitlement](#).

Within this framework our aims in RE are for pupils to:

- Acquire and develop knowledge and understanding of Christianity and a range of world faiths and world views;

- Develop an understanding of the ways in which religious and non-religious beliefs, teachings, practices, values and traditions influence individuals, communities, societies and cultures, from the local to the global contexts;
- Develop the ability to make reasoned and informed judgements about religious and moral issues, with reference to the beliefs, teachings, practices, sources of authority and ways of living associated with the principle religions represented in the UK;
- Develop positive attitudes of mutual respect for and tolerance of those with different faiths and beliefs;
- Enhance their spiritual, moral, social and cultural development by:
 - Considering the 'big questions' raised by human experience and reflecting on how religious and other traditions respond to them;
 - Responding to such questions with reference to religious beliefs, teachings, practices, values and traditions, relating them to their own understanding and experience;
 - Reflecting on their own beliefs, values and experiences in light of their study of religious and other traditions.

The Context

Kirkby on Bain Church of England Primary School is a small, rural school for children in the age range 4 to 11. We work to the Lincolnshire Locally Agreed Syllabus for RE.

As a Church of England school, we recognise the core place that RE occupies as part of a broad and balanced curriculum. We also understand the contribution of effective RE to our journey towards realising our school's distinctively Christian vision.

We recognise the variety of religious and non-religious backgrounds that make up our school community and we respect this variety of backgrounds in the spirit of Christian welcome. We are glad to have good relationships with faith practitioners from a range of world faiths and we value their contribution to our provision of effective RE.

We actively seek to prepare our pupils for life in modern Britain. As such, we promote key British values, including respect for and tolerance of different faiths and beliefs. We challenge racism and all forms of prejudice and we see RE as one curriculum area in which our pupils can encounter and critically reflect on a range of worldviews. This stance also provides a backbone to our entire school community and our aim to enable all members to flourish as human beings, throughout their journey through our school, their long term education and as adults.

Time Allocation

It is the expectation of the Church of England Education Office that RE should constitute a minimum of 5% curriculum time. This is in line with the recommendations made by the Dearing Report (1994). We meet this expectation by providing the minimum time of 36 hours per year for KS1 and 45 hours per year for KS2/KS3. This time is arranged in a range of ways, including discrete weekly lessons, **blocked time and RE days/weeks**.

RE forms part of the planning at EYFS; although there is no expected time allocation at this level. We expect connections to be made between RE and the Early Learning Goals.

RE curriculum time does not include values lessons, collective worship or assembly.

Scheme of Work and Planning

Our RE Scheme of Work is based on the Lincolnshire locally agreed syllabus [and can be provided on request]. **'Understanding Christianity' is a comprehensive resource used to support the Christianity themes taught.** RE is based around termly themes/cross-curricular units. At KS1, the principal religions studied will be Christianity and Islam; at KS2, the principal religions studied will be Christianity and Islam, with additional units linked to Judaism and Hinduism. It is not expected that pupils will study all six major world religions in depth during their time at Kirkby on Bain CE Primary School, although they will have learning opportunities that allow them to encounter all these faiths. It is expected that pupils will also encounter non-religious worldviews, such as Humanism, as part of their RE curriculum.

We carry out curriculum planning for RE in three phases (long-term, medium-term and short-term). The long-term plan maps the sequence of learning in RE; the medium-term plan gives details of each unit of study delivered to each Key Stage. As we have some mixed-age classes, dependant on numbers in classes, we carry out the medium-term planning on a two-year cycle. The class teacher writes the plans for each lesson. Plans are discussed on an informal basis with the RE Subject Leader and form part of the annual monitoring process for RE teaching and learning.

Teaching and Learning

Ofsted guidance encourages a range of teaching and learning styles in RE; our policy is to aim to ensure enquiry, art, drama, thinking skills, speaking and listening activities, multisensory activities, visits/visitors, ICT and other teaching strategies are used in order to enable each child to progress in RE according to their individual needs. We identify RE as one of the core subjects through which our pupils can develop spiritually, morally, socially and culturally, but we do not limit the delivery of SMSC to this subject alone. We teach to the attainment targets of the

Lincolnshire locally agreed syllabus for RE and follow the guidance of the Lincoln Diocesan Board of Education in relation to assessment of progress and attainment in RE. We report on each child's progress in RE annually. This report is informed by regular monitoring of work in RE using a variety of methods, including verbal feedback, evidence folders and written comments on individual pieces of work.

Resources

Kirkby on Bain Church of England Primary School has invested in a wide range of appropriate books, artefacts etc., and the RE Subject Leader audits these resources annually. We take advice from the Diocesan RE Adviser and other RE professionals on the best resources to support the delivery of high-quality RE.

Advice to enable parents to support their child's learning in RE can be requested from the child's class teacher, if required.

Visits and Visitors

We consider that an essential element of the delivery of good quality RE is encounter with a range of religious and non-religious world views. We encourage our pupils to participate in visits to places of worship when the opportunity arises; these visits are arranged in line with the programme of study for RE and provide pupils with the chance to encounter world religions as living faiths in modern Britain. We also encourage faith leaders and other members of faith communities to visit Kirkby on Bain Church of England Primary.

Supporting All Learners

Whole school policy with regards to SEND and differentiation applies to RE. Teachers ensure that the learning activities employed in RE are differentiated to meet a variety of learning needs. At Kirkby on Bain Church of England Primary School, we teach RE to all pupils, whatever their ability and individual needs. RE forms part of our commitment to provide a broad and balanced education to all children. Through our RE teaching, we provide learning opportunities that enable all pupils to make good progress. We strive to meet the needs of all pupils and we take all reasonable steps to achieve this. For further details, see separate school policies.

Inspection

The effectiveness of RE is inspected as part of the Section 48 SIAMS (Statutory Inspection of Anglican and Methodist Schools) inspection. Kirkby on Bain Church of England Primary School is a VA school. As such, progress and attainment in RE is inspected as a distinct element of the Section 48 SIAMS inspection. It is the responsibility of the RE Subject Leader to review and

maintain evidence for the RE elements of this inspection, with appropriate support from the head teacher, governors and Diocesan RE Adviser.

Monitoring and Review

We intend that this policy should operate for the next two years and then be fully reviewed by staff and governors. The RE Subject Leader will monitor the delivery of RE during each academic year to ensure that this policy is being appropriately implemented. Their role is to support and hold accountable all members of staff involved in the delivery of RE. To this end, they will ask each member of staff involved in the delivery of RE to report on pupil progress in RE during each academic year, participate in book scrutiny/moderation, contribute to RE priorities within action plans, identifying areas of weakness and strength and track attainment within our whole school tracker.

The RE Subject Leader must evaluate their own leadership of the subject during each academic year.

Using a self-evaluation tool, such as the school evaluation form for the RE Quality Mark, the RE Subject Leader must work with their line manager to ensure that leadership of RE remains a high priority and is of a high quality.

Withdrawal from RE

We acknowledge the right of parents/guardians to withdraw their children from RE lessons and of teachers to withdraw from teaching the subject. We acknowledge that parents/guardians/teachers do not need to provide a reason why they wish to withdraw from the subject. Should a parent/guardian wish to withdraw their child from RE lessons or a teacher wish to refuse to teach RE, we require that written notice be sent to the RE Subject Leader/head teacher/school governors.

Should a parent/guardian request that their child be withdrawn from RE, we will endeavour to communicate clearly the place of RE within a broad and balanced curriculum to ensure that they are in possession of all the necessary information before confirming their decision. However, we will not attempt to persuade them to alter their decision. If a pupil is withdrawn from RE lessons, the school is required to provide supervision, *but should not incur any additional cost in so doing*. During the time that would have been spent within RE lessons, any pupil who is withdrawn should complete alternative, equivalent work, provided by their parent/carer. This time should not be used as a top up for other subject areas that would effectively disadvantage others.

Any queries regarding withdrawal from RE should be directed to the RE Subject Leader in the first instance, and thereafter to the head teacher.
